## **AUSTRAL GOLD TO REPORT IN USD**

### **Change in Presentation Currency**

Austral Gold Limited (“AGD” or the “Company”) is pleased to announce a change in its accounting policy enabling all financial reports to be reported in United States Dollars (USD).

The change in the presentation currency will better reflect the profile of AGD’s consolidated revenues, costs and cash flows as AGD’s primary operations relate to gold which is widely quoted and traded in USD. Additionally, USD is the internal reporting currency for AGD’s operating subsidiaries.

If the Directors declare a dividend or other distribution in the future, the Company intends to make payments available in Australian dollars.
