VOTING BY NON-REGISTERED SHAREHOLDERS IN CANADA

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Canadian Shareholders are “non-registered” or “beneficial” Shareholders (“Non-Registered Shareholders”) because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares.

Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (“Intermediary”) that the Non-Registered Shareholder deals with in respect of the Shares; or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“CDS”)) of which the Intermediary is a participant.

In accordance with applicable securities law requirements, the Company will have distributed copies, via mail or electronically, of the Meeting Materials to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders.

Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "voting instruction form") which the Intermediary must follow. Typically, the voting instruction form will consist of a one-page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada and the United States. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. Sometimes, instead of the one-page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. For this form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. A Non-Registered Shareholder who receives a voting instruction form cannot use that form to vote his or her Shares at the Meeting;

OR

- (ii) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare Investor Services, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Canada.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the voting instruction form and insert the Non-Registered Shareholder or such other person's name in the blank space provided.

In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the voting instruction form is to be delivered.

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote, which is not received by the Intermediary at least seven (7) days prior to the Meeting. Non-Registered Shareholders fall into two categories: those who object to their identity being made known to the issuers of securities which they own ("Objecting Beneficial Owners" or "OBOs") and those who do not object to their identity being made known to the issuers of the securities they own ("Non-Objecting Beneficial Owners" or "NOBOs").

The Company is not sending Meeting Materials directly to the OBOs and NOBOs. The Company will send the Meeting Materials through intermediaries and agents to the OBOs and NOBOs.

Voting Exclusion Statement

For the definitions of Key Management Personnel (**KMP**) and Closely Related Parties, please refer to the Glossary on page 18.

The Corporations Act restricts members of the KMP of the Company and their Closely Related Parties from voting in relation to remuneration related Resolutions (such as Resolution 1).

In addition, separate voting restrictions apply in respect of Resolution 8 and Resolution 9 under the ASX Listing Rules.

What this means for Shareholders

If you intend to appoint a member of the KMP (other than the Chairman of the Meeting) as your proxy, please ensure that you direct them how to vote on Resolution 1. If you do not do so, your proxy will not be able to vote on your behalf on Resolution 1.

If you intend to appoint the Chairman of the Meeting as your proxy (and you are not a KMP or a Closely Related Party), you are encouraged to direct him how to vote by marking a box for Resolution 1 (for example if you wish to vote for, or against, or to abstain from voting). If you appoint the Chairman as your proxy without directing him how to vote on a resolution where he is a related party, the Chairman will not be able to vote on your behalf. However, the Company will not disregard a vote cast by the Chairman of the Meeting where it is in accordance with a direction on the proxy form to vote as the proxy decides. The Chairman of the Meeting intends to vote in favour of all Resolution 1 (where permissible). If you do not want your vote exercised in favour of Resolution 1, you should direct the Chairman of the Meeting to vote “against”, or to abstain from voting on Resolution 1.

The Company will disregard votes cast on Resolution 1 by the persons detailed in the table below.

The Remuneration Report is set out in the Financial Report for the period ended 31 December 2019. The Remuneration Report details the Company's remuneration arrangements for the Directors and senior management of the Company.

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report be put to the vote of the Company. Shareholders should note that the vote on Resolution 1 is advisory only and not binding on the Company or its Directors.

However, under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are against the adoption of the Remuneration Report then:

- If comments are made on the Remuneration Report at the Meeting, Austral's Remuneration Report will be required to include an explanation of the Board's proposed action response or, if no action is proposed, the Board's reasons for this; and
- If, at next year's AGM, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report are against it, Austral will be required to put to Shareholders a resolution proposing that an Extraordinary General Meeting (**EGM**) be called to consider the election of Directors (**Spill Resolution**). If the Spill Resolution is passed (i.e. more than 50% of the votes cast are in favour of it), all of the Directors (other than the Managing Director) will cease to hold office at the subsequent EGM, unless re-elected at that Meeting.

Last year, a resolution was passed to adopt the 2019 Remuneration Report, with in excess of 75% of votes cast in favour of the resolution on a show of hands (noting that in excess of 75% of proxies lodged were also in favour of the resolution).

4. RESOLUTION 8 - APPROVAL OF 10% CAPACITY TO ISSUE EQUITY SECURITIES

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company is an eligible entity. If at the time of the

Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholder approve this Resolution. However, if Shareholder approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) potential investments and acquisitions; and
- (b) general working capital.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A.2, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above)

to the market price for the Company's equity securities on the issue date; which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.07 50% decrease in issue price	\$0.14 issue prices ^(b)	\$0.28 100% increase in issue price

	Funds raised	\$3,915,760	\$7,831,520	\$15,663,041

	Funds raised	\$5,873,640	\$11,747,281	\$23,494,561

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 31 March 2020.
- (b) Based on the closing price of the Company's Shares on ASX as at 31 March 2020.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A2

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be

disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4. Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Board Recommendation: *The Directors recommend that Shareholders vote for this Resolution.*

5. RESOLUTION 9 – APPROVAL OF MAXIMUM AGGREGATE AMOUNT OF NON-EXECUTIVE DIRECTOR FEES

In accordance with Paragraph (a) of clause 13.7 of the Company's Constitution and ASX Listing Rule 10.17, the Shareholders approved an upper limit of non-executive Director's remuneration of A\$500,000 at the Company's Annual General Meeting held on 27 November 2013.

Approval is now sought to set the maximum aggregate amount available for non-executive Directors remuneration in any financial year up to US\$400,000 (which, for illustrative purposes only, is equivalent to A\$625,000 based on an AUD/USD exchange ratio of 0.64 to 1).

Notwithstanding, the approval for a limit of four hundred thousand USD (US\$400,000) is only a limit and may not be paid/payable each year.

The Directors seek Shareholder approval to change the maximum aggregate amount of directors' fees for non-executive directors for the following reasons:

- (a) The maximum aggregate remuneration paid to all non-executive Directors of the Company per annum is based in Australian dollars. However, the Company's functional currency is the US dollar (**USD**) and depending on their residence, the Company believes that it makes sense to align the compensation of the Directors in either USD or an equivalent USD amount. As result of the recent change in the USD/AUS exchange rate, the amount of the aggregate remuneration that may be paid in director fees in USD has been reduced and the Company believes that there should not be a reduction in the USD earned by its non-executive Directors.
- (b) The Company earns its revenue in USD and can afford to make these payments without prejudicing the solvency of the Company.

The proportion remaining unused will provide the Company with the ability to attract and retain high quality directors, to make any appropriate increases to the size of the Board, and to increase fees in the future in line with market conditions.

As required by Listing Rule 10.17, the Company confirms that no securities have been issued to non-executive Directors in the preceding three years under Listing Rules 10.11 or 10.14.

Given the nature of this Resolution, the Board does not consider that it is appropriate to make a recommendation on how Shareholders should vote on this Resolution. As noted in the Proxy Form, the Chairman of the Meeting intends to cast all undirected proxies in favour of this Resolution.

6. RESOLUTION 10 – ADOPTION OF NEW CONSTITUTION

The Company's current constitution was adopted by the Company on 30 May 2019.

Effective 1 December 2019 the ASX implemented changes to their escrow regime. In accordance with those changes there were updates to ASX Listing Rule 15.12 which requires a listed entity's constitution to contain certain provisions for so long as an entity has "Restricted

Securities" (as defined by the Listing Rules) are on issue. These amendments (if approved) provide the constitutional underpinning for ASX's modified escrow regime.

Accordingly, the Company has prepared an updated Constitution (**New Constitution**) which incorporates the following key amendments:

- (a) **Restricted securities:** The Company shall comply in all respects with the requirements of the Listing Rules with respect to "restricted securities". Without limiting the generality of the above:
- (i) a holder of restricted securities must not dispose of, or agree or offer to dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;
 - (ii) if the securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the restricted securities are to be kept on the entity's issuer sponsored subregister and are to have a holding lock applied for the duration of the escrow period applicable to those securities;
 - (iii) the entity will refuse to acknowledge any disposal (including, without limitation, to register any transfer) of restricted securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;
 - (iv) a holder of restricted securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and
 - (v) if a holder of restricted securities breaches a restriction deed or a provision of the entity's constitution restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues.

New Constitution

Prior to the Meeting, a copy of the New Constitution is available for review by Shareholders as it can be sent to Shareholders upon a request being made to the Company Secretary on (02) 8072 1436.

A complete signed copy of the New Constitution will be tabled at the Meeting.

Pursuant to section 136(2) of the Corporations Act, a amendment to the Company's Constitution can only be effected by way of a Special Resolution passed by its Shareholders. Therefore, this Resolution is a Special Resolution that can only be passed if at least 75% of the total votes cast by Shareholders entitled to vote on this Resolution are voted in its favour.

Professional Advice

If you have any doubt or do not understand this Resolution, it is strongly recommended that you seek advice from a solicitor or other professional advisor.

Board Recommendation: *The Directors recommend that Shareholders vote for this Resolution.*
